

Ficha de Atención – Concentración – Memoria

Estimados padres y apoderados, junto con saludarlos y en consecuencia a sus comentarios y conversaciones del apoyo para nuestros estudiantes, compartimos con ustedes algunas fichas de trabajo que permiten ir reforzando la atención, concentración y memoria.

Cada una de las fichas enviadas las deben trabajar por tiempos corto, sin distracción. Si se inicia con una ficha, debe terminarla dentro de ese periodo, sin pararse, sin cambiar de hoja, sin otras distracciones.

- Esta pensando para trabajar entre 15 a 20 minutos por ficha.
- Es importante no girar la hoja para completar las figuras.
- Pueden hacerlo con lápiz grafito o de colores.
